

DISTRICT A-12 EMAIL ADDRESSES

To the Lions, Lioness, and Leos of District A-12,

The following pages detail the email addresses that have been activated for the clubs, officers, and chairs. The email addresses have been automatically forwarded to the President, or an Electronic Communications Officer (ECO) appointed by the clubs. Please forward this to your club members.

The role of the ECO is an important one – they must act as a “second secretary” and ensure that the information received through the club email is distributed and communicated to the appropriate people.

Electronic communication is becoming more and more prevalent for several reasons: it is faster, cheaper, and far more efficient. The ease of inviting 50 or more other clubs to your fundraiser or function is as simple as clubs12@mail.a12lions.org.

I also urge you to take a look at the new District A-12 website found at www.a12lions.org. It is still deeply under construction (and will probably be for quite some time!) Please pass on your comments to me at webmaster@a12lions.org. I particularly encourage you to take advantage of the Events Calendar to post your various events and activities for all the world to see.

As always, if you have any questions regarding any of these changes, please feel free to contact me.

Yours in Lions Service,
